**POSITION TYPE:** Permanent full-time      **LOCATION:** Augusta **POSITION #:** 02500-2030

**BUREAU/DIVISION:** Maintenance & Operations/Traffic Engineering

**JOB DESCRIPTION:** This is the Senior Traffic Engineer for the State of Maine, overseeing traffic operations on State highways and other public ways. This position is both technical and managerial in nature. In addition to leading MaineDOT's Traffic Engineering Section within the Bureau of Maintenance and Operations, it provides technical guidance to the Bureau's five Region Traffic Engineers.

This position's principle focus is the development and implementation of practices and policies, tailored to Maine, that are based on both State and National guidelines and law. Both the State and Regional Traffic Engineers work directly with stakeholders to resolve site-specific issues. This position also oversees MaineDOT's signage, signal and striping programs. It is responsible for traffic and crash record data collection programs, aimed at identifying deficiencies which impact traffic flow and safety throughout Maine.

**MINIMUM QUALIFICATIONS:** Candidates must demonstrate a minimum of eight (8) years progressive experience in managing programs and effectively leading people. The successful candidate must be a Licensed Professional Engineer in Maine and have a good working knowledge of traffic operations and standards.

**SELECTION PROCESS:** Applicants must forward a letter of interest, current resume and copies of post-secondary transcripts/licensing/registration and certifications to: MaineDOT, Human Resources, Attn: Becky Greene, 16 State House Station, Augusta, ME 04333-0016, no later than 4:30 p.m., **Tuesday, July 2, 2013.** Internal transfers (those already in the above classification for MaineDOT) who are interested in an interview may contact Becky Green at (207)624-3067 to be interviewed along with certified candidates. For additional information concerning this position, contact **Dale Doughty at 207-624-3600**. Applications are available by calling (207)624-3050 and are also on the MaineDOT website: [www.maine.gov/mdot](http://www.maine.gov/mdot).
